

## **YOUNG EAGLES DAY!**

The local Fairbanks chapter of the Experimental Aircraft Association (EAA Chapter 1129) is having a **Young Eagles day!**

We will be giving **FREE rides** to kids between the **ages of 8 and 17**.

This is a great opportunity for Scouts to fulfill requirement 2-a of the Aviation Merit Badge. If there's time at the event, its possible that 2-b and 2-e could be fulfilled, as well.

Who: Anyone between the ages of 8 and 17, **WITH** their parent's permission - not limited to Scouts

What: FREE ride in a small airplane (Fulfills Aviation Merit Badge requirement 2-a)

Where: Civil Air Patrol Hanger, 3855 University Ave South  
(East Ramp of the airport)

When: Saturday, July 15th, 9:00am to 2:00pm - at your scheduled time

How: Contact the EAA Young Eagles Coordinator Terry Wighs  
([wighs@yahoo.com](mailto:wighs@yahoo.com), 785-643-8770)

\*Note\* There are only 35 seats available. Young Eagles will need to sign up for an available slot in the schedule, then show up at least a 1/2 hour before their scheduled flight to fill out the required paperwork.
