The Midnight Sun Council, Boy Scouts of America, has a proud tradition of bringing the best possible Scouting experience to the youth of the community. It currently serves over 2,300 young people in the interior of Alaska with programs that build character, personal fitness, and citizenship.

Each year the Midnight Sun Council recognizes the unselfish, grass-roots service of its volunteers at an annual dinner in their honor. Two key volunteers who have greatly contributed to our ability to expand Scouting across all segments of our society receive the Silver Beaver Award at this event.

Your participation in this dinner will pay special tribute to these deserving Scouters and will underscore the importance of the Scouting program as our council continues a proud history of service to this community.
