---

Thank you for your interest in Lost Lake Summer Camp Staff. Our camping season runs from mid June to mid to late July. If hired, you could be employed for all of or only part of the season. We run two weeks of Boy Scout Camp, one week of staff week preceding Boy Scout Camp and there is the possibility staffing non-scouting groups at the Lost Lake facility following Boy Scout Camp.

The staffing needs for these non-scout groups are not always clear before June, generally it is not necessary for all staff to stay on for these groups. With an understanding that you could be employed between 3-6 weeks, we invite you to apply for a position as staff. It is a unique opportunity to staff camp in Alaska and an exciting opportunity to get know fellow staffers, make life long friends and be a positive influence on the lives of young people.

Remember that this application is not a contractual agreement, only after an interview has been conducted, your references checked and a staff agreement signed will a job be offered. Thank you again for you interest and we will contacting you for an interview at a later date, if you have any questions feel free to call our office.
