She also maintains our website with staff updates. Join us this month in thanking her for her loyal and continued service!

THANK YOU SO MUCH YVONNE!

We miss you, Wallace, Thalia and Ezra!

The Tanana Valley District is looking for volunteers to serve as Unit Commissioners!

These individuals play a key role in supporting our units with focused attention and serve as a bridge between the unit and available District or Council Resources.

Please reach out to District Commissioner Mike
The BSA takes youth protection seriously. In addition to requiring adults to complete Youth Protection Training, we also educate our youth on how to protect themselves. In partnership with the Barbara Sinatra Children's Center Foundation the BSA offers the Protect Yourself Rules Preview Adventure to our Cub Scouts. This adventure may be completed in lieu of the cyber chip.

For more information on the adventure, head to the Protect Yourself Rules Preview Adventure page. This adventure is available online only.

After you complete the adventure, please take a few minutes to complete the attached survey. The BSA would really like to hear from you.

Youth Protection Training Reminder

Remember, every volunteer in the Midnight Sun Council must complete the BSA’s Youth Protection annually.

POPCORN UPDATE

Trails End is discontinuing their scholarship program!

Here is what you need to know.

Scout families must turn in their 2019 scholarship forms by March 31, 2020.

Scouts enrolled in the scholarship by March 31, 2020, can continue to submit scholarship forms and their account will be credited 4% of their sales for the popcorn fundraiser in 2020, 2021 and 2022. Sales after December 31, 2022, will not be eligible for credits to a Scout's scholarship account.

There will be no new Scout enrollments into the scholarship program after March 31, 2020.

Trails End will continue to pay out existing scholarship funds to eligible recipients under the current scholarship program.

Scholarship changes were decided by Trails End, not your local council.

Trails End will be notifying Scouts who sold $2,500+ in 2019, as well as active Scouts enrolled in the scholarship program.

2020 Eagle Scout and Volunteer Recognition Annual Dinner

Thank you to everyone who attended our Annual Dinner February 8th and congratulations to all the award recipients!

Please see some photos from the evening below.
Can packs, troops or crews participate in political rallies?

The BSA might be the most patriotic organization in the U.S. But we don't endorse any one political party. You could say that rather than being pro-left or pro-right, the BSA is pro-America.

The same applies to your pack, troop, post, ship or crew. You and your Scouts should Do Your Duty to Country but not by endorsing any one candidate.

During election years, the line between patriotism and political favoritism becomes thin, making it important to remind you of the BSA’s official policy on Scout participation in political rallies.

Fact is, Scout units like the one pictured above are permitted to provide a color guard flag ceremony, in uniform, at political events. Troop 605 from Rocky River, Ohio, provided that service at a 2016 political event in Cleveland. (Nice job, Nick S., Tristan A., Grayson N. and Erik H.! The troop served as color guard and then immediately left the stage and the premises. They provided a patriotic service and departed before things got political.

Here are some Frequently Asked Questions and the BSA’s official answers:

Q: Could a pack, troop or crew provide a color guard flag ceremony for a candidate’s public speaking event or rally?

A: Yes. But, BSA Policy requires our adult and youth members in uniform to leave immediately after the presentation of colors and the Pledge of Allegiance. Should they want to stay they must do so as individuals, not Scouting representatives. That means they would have to change out of their uniforms.

Q: So Scouts and Scouters can’t stand on the platform for the remainder of the speech or presentation?

To see all the pictures from the 2020 Annual Dinner, please visit this link.

SCOUT SHOP CORNER!
Q: Why is this the rule?
A: The policy is meant to prevent someone from using our brand to convey support of a candidate or ideology. This prevents Scouts from being used by any party in campaign advertisements or materials.

Q: So then why is it OK to even present the colors or lead the Pledge of Allegiance at all?
A: Those are displays of loyalty to the nation, something the BSA has always endorsed. Regardless of the outcome of the political race, the candidate and supporters pledge allegiance to the U.S. Because of this, it is always acceptable and deemed to be a part of the civic process. Also, this "service" is offered to any party, regardless of political affiliation.

Q: Can Scouts and Scouters pose for photos with political candidates at these events?
A: Yes. But photos of candidates or Scouts in uniform or BSA marks and logos are not allowed in political campaign materials of any kind.

Q: Can adult leaders or Venturers who are 18 or older vote in elections?
A: Not only can they - they should! This policy isn't meant to limit the freedom of thought or action of any official or member acting as an individual. Scouters and Venturers shouldn't wear their uniform to the polling place, but they should vote for whichever candidate they prefer. That's all part of being a good citizen - something the BSA has taught for more than a century.

Q: What can Scout leaders do to support this policy?
A: Volunteers (and professionals) must be alert to situations that would imply that the BSA favors one candidate or party over another. Strict observance of our long-standing policy against the active participation of uniformed Scouts and leaders in political events is mandatory.

Q: Does Scouting still teach patriotism and citizenship?
A: Yes! The BSA teaches the ideals of patriotism and good citizenship as required to fulfill its purpose.
